

PLEASE SAVE THE DATE: BALLOT ISSUE 6C INFORMATION SESSION

Friday, October 2 | 10 a.m. – 11 a.m.

Arvada Chamber of Commerce

[7502 W. 80th Avenue, Suite 180](#)

This November, voters will consider **Ballot Issue 6C**, which proposes a **1% sales tax within the Arvada Fire Protection District** to fund fire protection, emergency medical response and related services. Because a change in sales tax could directly affect Olde Town businesses and their customers, we believe it is critical that our merchants understand the issue and hear perspectives from both sides.

We strongly encourage you, or a member of your team, to attend this special informational session.

Attendees will hear from the **Arvada Fire Protection** District regarding the case in support of 6C, as well as **John Marriott with Arvada Citizens for Common Sense** regarding the case against the measure. The Olde Town Arvada BID Board recently heard from John Marriott during public comment at its September 23 meeting. This October 2 session provides an opportunity to hear directly from both perspectives and become better informed about the measure.

The Olde Town BID Board of Directors has a priority to ensure our businesses have access to information about an issue that could affect them.

Members of the Olde Town BID Board will attend the meeting, and we will also share the meeting recap with merchants as soon as it becomes available.

If you or a member of your team plans to attend, please email Jean Gordon, Interim Executive Director, at jean@visitarvada.org. An RSVP is not required, but it will help our Chamber partners anticipate attendance.
